

ExtraVision

Description:

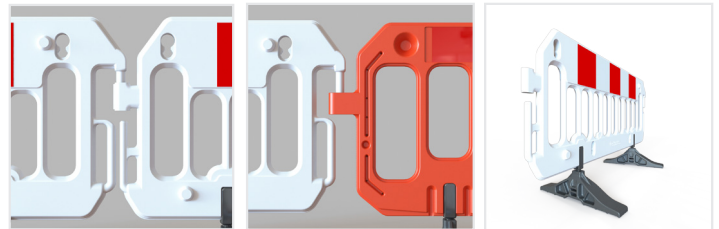

The ExtraVision is an adaptation of the popular Vision Barrier, fitted with a deeper, highly reflective strip for conformance to further world standards.

Features:

- Manufactured from virgin HDPE.
- Q-Clip support for barrier to barrier connection.
- Hook & Eye connection to other barriers.
- Compatible with existing Melba Swintex Barriers.
- Customer identification may be embossed into Barrier body.
- Available in other colors upon request.
- Deeper reflective for higher road safety standards.

Standards:

- Conforms to requirements of **BSEN8442**
- Reflectivity requirements of **BSEN12899-1**
- Chapter 8 - The Traffic Signs Manual
- The Red Book 2013
- Traffic Signs Regulations & General Directions
