

Tough Barrier

Description:

The Tuff Barrier is a stylish, tough and durable barrier. Incorporating the Q-Clip, the barriers connect together in a linear row, When combined with the Cross-Trench support, the barriers become highly wind resistant.

Features:

- Manufactured from virgin HDPE.
- 23 x 17 inch sign facility.
- Moulded in orange as standard, but can be colored to suit.
- When combined with Cross-Trench Support, the stability is greatly improved, and has extremely good resistance to high winds.
- Q-Clip for barrier to barrier connection.
- Barrier may be coloured.
- Compatible with thw WonderWall and Gate Barrier.
- Customer identification can be embossed.

Standards:

- Conforms to requirements of **BSEN8442**
- Reflectivity requirements of **BSEN12899-1**
- Chapter 8 - The Traffic Signs Manual
- The Red Book 2013
- Traffic Signs Regulations & General Directions
