

ILLUMINATED CABLE PROTECTORS

New Products for the Entertainment Industry

REINTRODUCING THE 5-CHANNEL ILLUMINATED FIREFLY CABLE PROTECTOR WITH DOG BONE CONNECTORS

FEATURES

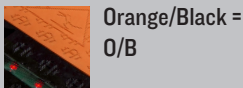

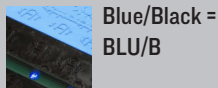

- High-visibility lid colors make it easily seen in low light conditions
- Battery-powered LED lights built in to side ramps
- Interconnects directly to a standard cable protector with a dog bone connection
- Protects cables and hoses up to 1.325" outside dia.
- All-weather polyurethane construction
- Now available with orange and yellow lids to match Guard Dog and Yellow Jacket Cable Protectors

Checkers reintroduces the Illuminated Firefly 5-Channel Cable Protector with

LED RAMP LIGHTS BUILT-IN!

ILLUMINATED FIREFLY 5-CHANNEL CABLE PROTECTOR has built-in battery powered LED lights in the ramps and brightly colored lids for increased visibility in low light situations. The Illuminated Firefly cable protectors now have a Dog Bone connector to link with any Guard Dog or Yellow Jacket cable protection system.

Lid/Base Color Options
